CES Mission and Vision

MISSION

Collierville Elementary School equips Little Dragons with the skills necessary to be successful in learning, leadership, and life.

VISION

Collierville Elementary School will inspire every Little Dragon to be thriving and confident students who become life learners and contributing citizens in their community.

BELIEFS

Collierville Elementary School understands the importance of the development of the whole child.

Educators reflect upon teaching practices for the purpose of professional growth and the continued enhancement of quality instruction as well as engage in on-going professional development and work collaboratively to share the knowledge we acquire.

All relationships matter and are essential to learning.

Every learner is different. As educators we meet each child where they are and allow them to be active participants in their learning.

Each of us must do our part to create a safe, respectful and positive

environment that encourages learning and risk-taking.

A commitment to student success is a shared responsibility among students, parents, educators, staff, and the community.

Every child deserves to have someone that loves them.

When you set high expectations, all will rise to the challenge by working hard, taking risks, and persevering.

A NOTE FROM MR. SALYER

The Little Dragon Family,

We are having such a great school year! We have had a packed first semester with Kindergarten Coffee, Walk to School Day, Dragon Dash, Grandparents' Day, and Braggin Dragon pulls just to name a few. As we approach the Thanksgiving season, I have started thinking about all the things I am thankful for at Collierville Elementary.

- I am thankful for kids that come to school every day with a smile on their face. I am thankful for the high fives, hugs, and even the endless questions! The kids at Collierville E remind us each day why we do what we do. Their eagerness and optimism remind us that when the world tells us the future looks scary, we know our kids are going to grow up and be a positive light.
- I am thankful for parents that love their kids and want the best for their education. I'm thankful that our parents trust us to teach their child, not only academics but also how to handle the various social situations they will face in life. I'm grateful for the parent that's able to help their child with their homework each night and for the parent that's working a double shift so their child can have experiences they never did.
- I am thankful for a staff that puts their love for children first. For a staff that realizes every score has a name, every name has a story, and it's the stories of our students that really matter the most. I am thankful for those teachers that continue to teach even though they don't get the pay or gratitude they deserve. I am thankful that even though some kids try their patience, teachers show up day after day, refusing to quit on a child.
- I am thankful for a PTA that does more behind the scenes than anyone could ever know. For people that volunteer to help with events and handle things at school that run into their own personal family time. I am thankful for parents who are willing to do whatever it takes to make

sure every Little Dragon has an amazing experience at Collierville E.

- I am thankful for para professionals (you may know them as assistants), both regular ed. and special ed., that do whatever is asked of them and so much more to keep things running smoothly. These people work so hard and solve problems before they're even brought to my attention.

- I am thankful for an office staff that greets every parent with a smile. They do anything that's asked of them and so many other things, like staying late to ensure every child

makes it home safely.

- I am thankful for two assistant principals that give their all every day and night to the Collierville E family. They are an encouragement to so many people and challenge me to become a better principal and man. I cannot put into words how much they love our school.

I know there are people I have missed, and I could go on and on about those that make a difference in our school. I want to encourage you to take some time out of your busy schedule and send one thank you note or put one positive post on social media about someone at the school that has made a difference in your life. You never know when you're going to be the encouragement that person needs.

Every Dragon. Every Day.

Tyler Salyer

A Message from the President

Hello Little Dragon Parents & Students -

It has been such a great start to the school year. By the time this Dragon Flyer hits the press we are in the beginning stages of our fall fundraiser - Dragon Dash. Fingers crossed that October brings cooler temperatures for the Dragon Dash fun run on the 1st of November. Remember 100% of all monies donated to the fun run stay at CES to make our school a better place!!

Thank you to our Little Dragon Corporate Sponsors. We have many community business members who have graciously pledged their financial support for our school. Every year it amazes me how generous our community is. Stop by and thank these businesses. Let them know the little dragon students appreciate them.

Have you paid your \$7 per person membership dues this school year? It's our yearly goal to have 100% participation school-wide. Melissa Brown is the contact person for memberships. You can drop her an email at: membership@mycespta.org. You can also sign up for PTA memberships online at: mycespta.org.

We look forward to our upcoming PTA events. Join us for Donuts with Dudes in October and mark your calendars for Muffins with Mom in March. Your help is needed for these events - - *PLEASE PLEASE PLEASE* RSVP to the event when your flyer comes home in students folders so we can plan accordingly. We love celebrating our little dragon families at CES.

Once a Dragon, Always a Dragon

RED RIBBON WEEK 2019

The Red Ribbon Campaign® is the oldest and largest drug prevention program in the nation, reaching millions of young people during Red Ribbon Week®, October 23rd - October 31st.

What Is Red Ribbon Week?

It is an ideal way for people and communities to unite and take a visible stand against drugs. Show your personal commitment to a drug-free lifestyle through the symbol of the Red Ribbon, October 23 - 31st.

Why?

The Red Ribbon Campaign® was started when drug traffickers in Mexico City murdered DEA agent Kiki Camarena in 1985. This began the continuing tradition of displaying Red Ribbons as a symbol of intolerance towards the use of drugs. The mission of the Red Ribbon Campaign® is to present a unified and visible commitment towards the creation of a DRUG - FREE AMERICA.

During Red Ribbon Week our CES Little Dragons will be able to show their support and take a visible stand against drugs by participating in the following Dress Up Days

(PLEASE NOTE: Dragon Dash and Red Ribbon week are the same week this year so the dress up days are the same!)

Dragons, did you know...

The family is the most significant contributor to children's lifelong learning and development. Family involvement is essential to continuing child success in the elementary classroom and later education. You should read to your child every day.

Why?

- Builds a rich vocabulary
- Strengthens listening skills and comprehension
- Increases attention span
- Builds excitement about reading and learning
- Builds background knowledge

Conversations and reading aloud have the most impact on your child's early literacy development. If you read just 1 book a day with your child, they will have read 1,825 books by their 5th birthday. Every day counts; every book counts. *It's never too late to start.*

"You may have tangible wealth untold:
caskets of jewels and coffers of gold.
Richer than I you can never be—
I had a Mother who read to me."

Helpful information about learning brought to you by Reading Rockets, Colorín Colorado, and LD OnLine

Use a PEER When You Read Aloud

Most parents of preschoolers realize the value of reading aloud every day to your young child. Story time is a great way to connect with your child, to share exciting stories and pictures, and to increase your child's understanding of the world.

The best story times are very interactive: You are talking about and reading the story, your child is talking, and there is conversation taking place between the two of you. Because of all the talking, this type of shared reading is often called dialogic reading.

Parents can use the PEER method to help them remember a few important ways to read in this interactive way:

P: Prompt your child with a question about the story. Prompting your child focuses attention, engages the child in the story, and helps the child understand the book.

Point to something in the picture, for example, a balloon. "What is that?"

E: Evaluate your child's response.

"That's right! That's a balloon."

E: Expand on what your child said.

"That's a big, red balloon! We saw one of those in the grocery store yesterday."

R: Repeat or revisit the prompt you started with, encouraging your child to use the new information you've provided.

"Can you say big, red balloon?" Each time the book is reread, the expanded vocabulary words are verbalized again.

Dialogic reading works. Children whose parents read in a dialogic way have better oral language skills, and are more likely to be exposed to new words.

Don't feel obligated to use the PEER procedure on every page, with every book. Keep it fun! Use PEER when it fits and when your child is engaged with the story.

See our Reading Aloud section for more ideas on reading aloud with your preschooler:
www.ReadingRockets.org/atoz/reading_aloud

Reading Rockets, Colorín Colorado, and LD OnLine are services of public television station WETA, Washington, D.C. Reading Rockets is funded by the U.S. Department of Education, Office of Special Education Programs. Colorín Colorado, a web service to help English language learners become better readers, receives major funding from the American Federation of Teachers. Additional funding is provided by the National Institute for Literacy and the U.S. Department of Education, Office of Special Education Programs. LD OnLine is the world's leading website on learning disabilities and ADHD, with major funding from Lindamood-Bell Learning Processes.

Parents can use the PEER strategy with children in the early grades as a way to build reading comprehension. CHECK THIS OUT!
